

Join us for a free seminar about weight loss surgery

Weight Loss Surgery: Gastric Banding & Other Options

Two sessions on Saturday, June 20, 10:00 a.m. to 12:00 p.m. or 2:00 to 4:00 p.m., at the Hilton Garden Inn Fredericksburg.

With weight loss, it's not so much about what you'll lose, but rather what you'll gain – a way to improve your quality of life. A way to feel better.

For those facing the struggles and frustrations of living with obesity, the Potomac Hospital-Bluepoint Surgical Group team offers surgical solutions such as laparoscopic gastric banding and gastric bypass, sleeve gastrectomy, and revisional procedures.

Potomac Hospital and Bluepoint Surgical Group are designated Centers of Excellence by the American Society for Metabolic and Bariatric Surgery. The ASMBS Center of Excellence designation recognizes surgical programs with a demonstrated track record of excellent outcomes in bariatric surgery.

Meet the doctors and find out more about our new da Vinci® robotic-assisted surgical system, insurance coverage and the Potomac Hospital team at these free events in Fredericksburg.

Please register by calling Potomac's Health Connection at 703-221-2500 or online at PotomacHospital.com.

The seminar will be held at Hilton Garden Inn Fredericksburg, 1060 Hospitality Lane.

Meet weight loss surgeons Drs. Denis Halmi (right) and Daniel Tran at these free events. They perform more than 250 weight loss surgeries at Potomac Hospital each year and are internationally recognized experts in the field.
